## Experience

*Web Editor, Info-graphic Designer, Energy Tribune - Houston, TX (Current)*

In addition to creating info-graphics I am involved in nearly every aspect of the magazine's publication including editorial content, design, printing, marketing and advertising. I also maintain the web site and create interactive features.

*Reporter, Pearland Reporter - Pearland, TX (2008)*

This was a freelance job covering the city's fight against illegal gambling.

*Info-graphic Designer, Austin American-Statesman - Austin, TX (Summer Intern 2007)*

I cooperated with reporters, photographers and other designers to cover breaking news stories and created an interactive Flash package for the 50th anniversary of Sputnik.

*Teaching-Assistant Graphics Department, Columbia Missourian - Columbia, MO (8/06 – 5/07)*

I worked closely with Graphics Editor John Duchneskie and learned the power of analyzing ideas spatially using ArcGIS mapping software.

*Info-graphic Designer, Columbia Missourian - Columbia, MO (Fall Semester 2006)*

*Reporter, Columbia Missourian - Columbia, MO (Winter Semester 2005)*

## Education
